

Equus Survival Trust 2019 Frying Pan Clinics

ALL CLINICS - FEE: \$15 pre-registration by June 22nd / \$25 at the event

DRESSAGE CLINIC #1

"Fix-a-Test" with Mary Callan

Each participant chooses a test, rides the test and is scored as if showing. Mary will discuss the results and make suggestions on how to improve your test. The rider then rides the test again for additional feedback and practice.

The point of the Fix-a-Test is to help the rider find points they may not realize they are missing and to get tips on how to improve their scores. This format of riding twice with constructive feedback is more educational than a single run through at a fun show.

"Dressage Today" article on Fix-a-Test by Margaret Freeman

DRIVING CLINIC #2

"Driving Buffet" with Tricia Mozingo

This three-course buffet will begin with some Pleasure Driving, then advance to Cones and then Intro Level Driven Dressage. Participants can do one or all three disciplines. No experience in cones or dressage required.

In-HAND SHOWMANSHIP CLINIC #3

"Ready, Set, Pose!" with Tricia Mozingo

Participants get a chance to practice run-throughs in-hand while getting tips for showmanship for halter classes

OBSTACLE CLINIC - In-Hand/Ridden

"Working Out the Kinks" with Tricia Mozingo

All breed obstacle clinic. Introductory and intermediates will get the opportunity to work singly with Clinician Tricia Mozingo. Instruction includes approach, negotiating and follow through on simple trail obstacles. Instruction session includes Ridden participants followed by In-Hand participants.
